M20	46.8	11.05	15.9	-	-	46

Strength class, finish and standard edition are not stated on this sheet.

TECHNICAL NOTES

Property class, coating and standard edition are not stated. No stock or standard equivalence is inferred.

Thread length b follows the length bands: up to 125, over 125 through 200, and over 200 mm. Dashes are retained and are not zero values. The nut shown here drawing is illustrative; no nut supply is implied.
